26.2 Miles for YES Youth

"I decided to run the Marathon for YES because I believe providing kids with new opportunities to learn and to grow is crucial to their personal development."

- Michelle Chin, Team YES Marathoner

Congratulations to the four members of Team YES who finished the Boston Marathon and raised critical funds for Youth Enrichment Services (YES). While they have completed the Marathon, they are still striving to cross the finish line with their fundraising goals! Please consider making a gift to support their efforts and help celebrate their incredible accomplishment. We are grateful to our runners, the John Hancock Non-Profit Marathon Program, and the Boston Athletic Association.

YES Road Trip: 6 College Campuses in 7 Days

This spring, 12 YES teens had the opportunity to participate in a week-long, multi-state college tour as part of YES's College Prep Program.

Teens visited six colleges and universities during April break: Champlain College, New York University, Rensselaer Polytechnic Institute, St. Michael's College, UMass Amherst, and Yale University. For many YES teens, college tours are a financial burden and a time constraint for their families, and the YES College Tour is their only opportunity to tour schools.

YES teen Kenny, age 16, visiting the University of Massachusetts Amherst.
