

# Corporate Group Volunteer Opportunities

Volunteering with Youth Enrichment Services (YES) will raise your company profile within the local community, help build relationships within teams, and boost employee morale. Volunteer opportunities are available at YES for groups of up to 12 people and can be customized to suit your corporation's goals and preferences. Volunteers must be over 18 years old.

**Visit [www.yeskids.org/volunteergroup](http://www.yeskids.org/volunteergroup) to apply for an opportunity.**

Contact Ethan George at [volunteer@yeskids.org](mailto:volunteer@yeskids.org) with any questions.

## CORPORATE SHOP NIGHT

Afterwards, you and your team will put your new skills to work helping YES care for its inventory of youth skis and boards used all winter season by Boston young people. Foster relationship building among your team and get involved with a nonprofit that has been enriching the lives of Boston youth since 1968.
